**Whereas**, 36 million school children around the world, including 26 million in the United States, will benefit from D.A.R.E. (Drug Abuse Resistance Education) this year; and

**Whereas**, D.A.R.E. gives children the skills they need to avoid involvement in drugs, gangs, and violence; and

**Whereas**, founded in 1983 in Los Angeles, California, D.A.R.E. has proven to be so successful that it is now implemented in over seventy-five percent of this nation's school districts and in fifty-two countries around the world; and

**Whereas**, Tori Ahlers is an exceptional fifth grade student at Vogt Elementary School in Ferguson, where she is admired by teachers and students alike and does her best to lead the kind of life that others will strive to follow; and
